Subject: Stop harassing Uber immediately

To Whom It May Concern,

Your unfair and ridiculous targeting of Uber's operations in South Carolina ought to stop immediately. Uber operates with safety and is properly insured, despite your burdensome regulations. Both my family and I have used Uber numerous times and we have been thoroughly impressed with their service each and every time.

Please cease and desist your harassment of Uber's operations in South Carolina immediately.

Thank you,

Matt Kneece

Dear Sir or Madam,

I would kindly ask that you please continue to allow Uber in South Carolina. I travel globally for business and rely on Uber in almost every city I visit. I also use it in Greenville and Charleston.

Taking it away, particularly given the poor, monopolistic taxi companies that under service these markets, will hurt the expanding commercial markets that benefit from this ride sharing program.

Sincerely,
Scott

PSC,

Please consider withdrawing Uber's cease and desist order. As a college student at USC, I feel much safer having the option to choose Uber over a local taxi. Please do not take this away from South Carolina.
